

# Adult/Child First Aid and CPR 2 Year Certification

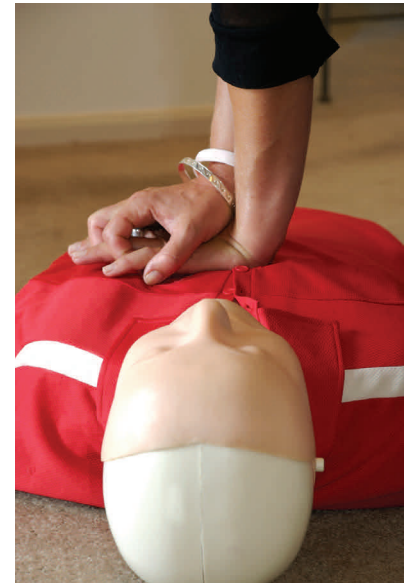

Are you prepared to provide assistance in an emergency?

Attend this training and you will learn the life saving techniques for an emergency injury situation that can make a difference in saving a life.

## Training includes:

- How to apply first aid
- AED use
- Cardiopulmonary Resuscitation (CPR) techniques
- Continuity and rhythm application using real-life mannequins
- Certification for two years for those who pass.

This course will comply with the Cal/OSHA regulation 1512 (Construction Safety Order), 3400 (General Industry Safety Order), and meets the American Red Cross training specifications.
