

CONSTRUCTION & CONTRACTORS INSURANCE

CONTRACTORS TEAM

Armstrong and Associates has been assisting contractors and construction clients with their insurance needs for over 25 years. We are a full service agency that provides comprehensive coverage for operations spanning all major lines of property and casualty along with workers' compensation and employee benefits.

Our veteran Team understands the unique risks associated with construction operations. With strong insurance company partnerships Armstrong is able to provide coverage protection for businesses. We provide customized coverage designed specifically for construction.

The delivery of insurance solutions is supported by an in-house loss control and claims team. Whether the need is for provision of a Heat Illness Prevention Plan, Injury Illness Prevention Program review, field safety training or open claims review, our Insurance Professionals are available to proactively work with you on the appropriate strategy.

At Armstrong & Associates we focus on delivering solutions to provide you with the lowest net cost in your insurance and risk management programs.
